

CEILING LOUDSPEAKERS

PC Low Impedance Ceiling Loudspeakers

High performance coaxial ceiling loudspeakers.

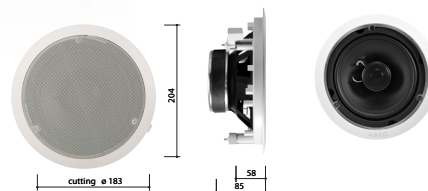

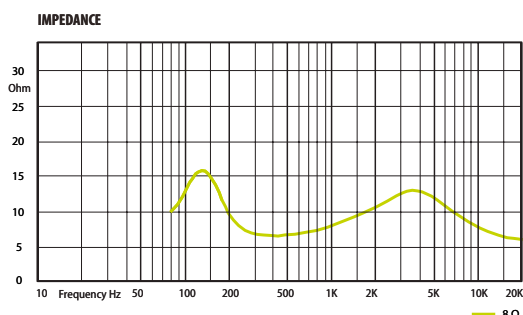

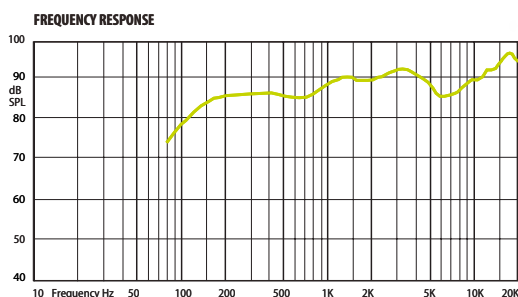

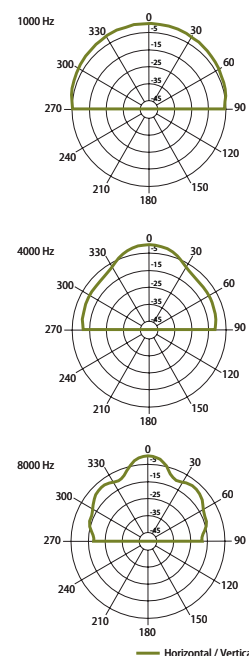

PC 6

These specially designed speakers are ideal for back ground music with a high SPL. The enclosures are assembled using high quality materials and coupled to a very high quality coaxial speaker. Used in environments where excellent sound quality and a high SPL is required: bars, restaurants, modern shops.

The clear and neutral design of this enclosure loudspeaker allows it to blend into any interior.

HORIZONTAL / VERTICAL POLAR DIAGRAMS

Technical Specifications	PC 6
